## CIGARS

### LIGHT

**HOYO DE MONTERREY EPICURE NO. 2** ..... £26.50

Size: 4 7/8 Inches x 50 Ring Gauge

Lying on the banks of San Juan y Martinez river you will find one of the great Vegas de Primera plantations

- Hoyo de Monterrey. Founded in 1860 by Spanish immigrant Jose Gener, this is one of the true iconic marques of Havana cigars. An Epicurean is a person devoted to refined enjoyment - the best things in life. This robusto sized cigar lives up to this expectation! A delicate yet aromatic cigar that is lighter to the taste but with great elegance and complexity from one of the oldest brands still in production today.

### LIGHT TO MEDIUM

**H. UPMANN CORONA JUNIOR** ..... £11.20

Size: 4 1/2 Inches x 36 Ring Gauge

The brand was first produced in Havana in 1844 and has been in Britain since the 1850's. This particular cigar, although known by a different name at the time, has the distinction of being the one President Kennedy bought heavily just before signing the US / Cuban trade embargo. A short smoke with a decent ring gauge that offers you classic H.Upmann's quality and taste with a presidential pedigree to boot!

### MEDIUM

**ROMEO Y JULIETA NO 3** ..... £16.00

Size: 4 5/8 Inches x 40 Ring Gauge.

The brand, with its origins dating back to 1875, was named after Shakespeare's tragic lovers. It was a firm favourite of the Torcedores (rollers) and was read to them whilst they worked in the factories. Winston Churchill became a devotee of the brand after a visit to Havana in 1946. This size cigar, a Coronita, is not as small as it may appear. Much narrower in ring gauge and shorter than that of the famous Churchill, it still develops rich and elegant flavours but in a slightly more concentrated way on the palate.

**COHIBA MEDIO SIGLO** ..... £35.30

Size: 4 Inches x 52 Ring Gauge.

The tobacco selected for Cohiba is the "selection of the selection" from the five finest plantations in the San Juan y Martinez and San Luis Districts of the Vuelta Abajo zone and is perfectly demonstrated in this cigar. As part of Cohiba's 50th Anniversary this brand-new size was launched demonstrating constant innovation to keep this brand at the leading edge of the cigar world. Cohiba - the world's finest cigar.

## **MEDIUM - FULL**

### **MONTECRISTO PETIT TUBOS ..... £19.00**

Size: 5 1/8 Inches x 42 Ring Gauge. Montecristo is quite simply the best selling, most popular handmade cigar brand in the world! The name comes from Alexandre Dumas' famous novel "The Count of Montecristo", which was read to the cigar rollers in the factory where the brand was first produced in 1935.

This cigar is a No 4 just in a tube! Its rich, tangy flavour acts as the benchmark for most smokers embarking on their journey to find their preferred Havana cigar – many returns to it.

### **MONTECRISTO EDMUNDO..... £29.70**

Size: 5 1/3 Inches x 52 Ring Gauge.

Introduced to the Montecristo range in 2004, the Edmundo was one of the first extra heavy gauge sized cigars produced in Cuba in the 21st Century. The name of this cigar comes from the hero, Edmundo Dantes, in the famous novel "The Count of Montecristo". This cigar is big and rewarding – tangy and zesty to start with rich undertones that come to the fore.

The large gauge allows for the smoke to be cooler on the palate.

### **PARTAGAS SERIE D NO. 4 ..... £26.50**

Size: 4 7/8 Inches x 50 Ring Gauge.

If there is one particularly famous cigar factory in Havana, it is Partagas.

It can still be found at 520 Industrial Street where it has been home to this iconic brand since it was opened in 1845 by Don Jaime Partagas. Immediately recognisable by its deep, earthy and spicy flavours. This cigar is full flavoured and is rich and complex with every puff.

Sip, do not gulp!
